

PN12 TEAS

- An adjusted individual total score of 55% or greater on the TEAS is required to be considered for admission into and progression through the PN Program for Fall 2024. It is recommended students complete MATH 1012, ALHS 1011, and ENGL 1010 prior to taking the TEAS exam.
- The student will be allowed three (3) attempts to score the required adjusted individual score of 55% or greater on the TEAS exam. The student is responsible for securing appropriate TEAS exam study resources. It is recommended the student wait a minimum of 30 days between each attempt. In the event that there is one seat available for progression and one or more students possess the same grade point average (GPA), then the TEAS score will be used as the tiebreaker.
- The TEAS attempts will apply to the admission criteria of both the Practical Nursing Diploma and Associate Degree nursing programs. Therefore, the student is allowed three (3) total exam attempts, regardless of program choice.
- TEAS scores will be valid for three (3) calendar years and must not be expired by the deadline for supporting document submission for Fall 2024.
- Study materials for the TEAS exam are available through Assessment Technologies Institute (ATI) at www.ATItesting.com.
- It is the student's responsibility to contact the Admissions Office to schedule a time for testing. The TEAS testing dates and instructions for scheduling can be found at <https://www.southeasterntech.edu/events/>.
